Monday-Saturday

Symptoms:

- Fever
- Cough
- Difficulty breathing
- Muscle aches and chills
- Decreased sense of smell or taste
- Sore throat

To find out if you should be tested at the instacares call the COVID-19 Hotline at 844-442-5224. Calling ahead allows a medical professional to assess your symptoms over the phone and determine if you should be tested for COVID-19. You will likely be referred to testing if you have one of the COVID-19 symptoms (subject to testing capacity).

We need to continue to be vigilant in using precautions. The cases of COVID 19 are rising in communities around us. Please remember to do the following:

- Wash your hands frequently
- Stay home if you are sick
- Only go out if it is absolutely necessary and when you do go out wear a mask
- Clean surfaces often with disinfectant
- Social distancing is very important right now
