Mahlaney Lee's Trip to Washington, D.C.

Our own Mahlaney Lee, a senior at El Capitan High School was chosen to represent our State Youth Coalition in Washington, D.C. during the week of July 7th-11th. There she pictured youth spoke with U.S. Representatives about how Vaping and how Juuling is targeting the youth by selling brighter colors and many different flavors.

Mahlaney says this is a good educational program and has learned about the harmful effects of tobacco products. She will continue to support the Anti-Tobacco Campaign.

Arizona Senator McSally pictured with Mahlaney prior to their appointments to speak with the Representatives.
