Maiya/Thurman (Kaiva Nuvuv) Family and Quahnunts Yracheta Family.

The Savala Family – Coordinating the Art Show & All the artists that entered

RV Park Personnel – Keeping It Real at the Campground.

Thanks to all the Volunteers – too many to mention. Your “behind the scenes” were appreciated!

From the Office of the Chairwoman:

ANNOUNCEMENT REGARDING THE LAKE POWELL PIPELINE FOR PUBLICATION IN THE KAIBAB NEWSLETTER

The Tribal Council seeks the membership's input on recent events involving the Lake Powell Pipeline Project. The attorneys working on this Project on behalf of the Kaibab Tribe will be present at the General Council meeting on October 5, 2019 to give a presentation and answer questions on recent pipeline-related events. In particular, they will describe a recent proposal by the Washington County Water Conservancy District, one of the pipeline applicants, to reserve space in the pipeline for the Kaibab Tribe's benefit in exchange for certain concessions on routing the pipeline to the south of the Kaibab Reservation, including through Kanab Creek Canyon. In May 2012, in order to avoid adverse impacts to cultural resources to the south, the Tribal Council passed a resolution favoring a pipeline alignment through the Reservation along Arizona State Route 389. The Tribal Council seeks the membership's input on whether the Kaibab Tribe should maintain its previously stated position or agree to negotiate over the southern route.

Mr. Toya's Update:

2019 Kaibab Paiute Mistletoe Project

The excavator tree mulcher machine is here and will start the project on the affected trees

- A test plot will be done first with the machine to adjust technique
- Tribal Monitors will be part of this to consistently stay within the project phase due to the sensitive areas identified with monitor duties
- This primary phase is eliminating all infested tree
- Questions call Vincent Toya, Tribal Administrator (928) 643-7245

Key Points of the Problem in Juniper Trees

- Mistletoe is a forest pest and affect tree growth and form.
- Mistletoe shoots this parasitic gel to surrounding healthy trees and infect.
- Control is accomplished by killing infected trees and preventing spread to young trees.
- Seeds are consumed by a variety of birds, mammals and insects with potential spreading
- As Parasitic Plants form it results to significant damage to trees
- Be cautiously on the look-out for manpower and heavy equipment during project
- Area of project is start of Pipe Springs Road to Moccasin Boundary

UPDATE

Kaibab Band of Paiute Indians
Wildlife, Fisheries & Parks Department

Fishing – Everyone needs a permit to fish, a Tribal Members can come and get a one year permit at NO COST, for Non-Members it is \$10 dollars for the first day and if they bring back the original permit it will be \$5 dollars for a day for the next five day as long as you bring back the original permit. The limit is four per day. We do sell a year round permit for Non Tribal Members for \$80 dollars. Only the big fish are in the pond and they are hard to catch.

Snakes, Tarantulas, and Scorpions are out! So watch out for them.

Tribal Hunters – If you made a kill in the 2018 hunts and haven't turned in your **white** tag to the Wildlife Department. You have been tagged to **not** receive a permit next hunting season. You should come and ask if it is you!!

Southern Paiute Youth Hunt – October 18, 19, 20, 2019 All youth should plan on coming to the hunter safety course, w/parent or adult person. Watch for the sign-up sheet.

Minors Hunters Safety Card – On the internet go to hunter-ed.com – Everyone 10-18 years of age needs to attend a hunter's safety course. Or a course will be provided here in October during the Youth Hunt, the child will need one to get a hunting permit. This is not something new it has been in the Ordinance since the beginning. It is better to get a Hunters Safety card in the state you live in so you can participate in their State hunts.

Fire Wood – You don't need a permit to get fire wood, unless you are selling it off the Reservation. But, to get wood for personal use or for a Tribal Member, it is ok, you can get wood anywhere on the reservation, as long as it is not green.

Back Dirt Roads – If for some reason, you take the back roads, beware of the sand and mud. **Remember** to tell someone where you are going and about when you will return, take a lot of water, snacks, matches, a shovel, tow chain, and a jack (Handyman), cell phones may or may not work out there, and please pickup all litter. **KEEP MAIN GATES CLOSED!!!**, if the road gets sandy or muddy turn back you don't want to get stuck. If you know of someone that has gone out and not returned call this Department at any time, (office or Home) contact any Wildlife Committee member, or BIA-Police. This will only be to get you home, but if asked to be pulled you out, you may be charged a fee.

Any questions or concerns contact Danny Bullets, Jr. at 643-8305 or Email me at dbullettsjr@kaibabpaiute-nsn.gov.

Water Quality
Kaibab Band of Paiute Indians
Part 1 https://en.wikipedia.org/wiki/Clean_Water_Act

The **Clean Water Act (CWA)** is the primary federal law in the United States governing water pollution. Its objective is to restore and maintain the chemical, physical, and biological integrity of the nation's waters; recognizing the responsibilities of the states in addressing pollution and providing assistance to states to do so, including funding for publicly owned treatment works for the improvement of wastewater treatment; and maintaining the integrity of wetlands.^[2] It is one of the United States' first and most influential modern environmental laws. As with many other major U.S. federal environmental statutes, it is administered by the U.S. Environmental Protection Agency (EPA), in coordination with state governments. Its implementing regulations are codified at 40 C.F.R. Subchapters D, N, and O (Parts 100-140, 401-471, and 501-503).

Technically, the name of the law is the **Federal Water Pollution Control Act**.^[3] The first **FWPCA** was enacted in 1948, but took on its modern form when completely rewritten in 1972 in an act entitled the **Federal Water Pollution Control Act Amendments of 1972**.^{[4][1]} Major changes have subsequently been introduced via amendatory legislation including the **Clean Water Act of 1977**^[5] and the **Water Quality Act of 1987**.^[6]

The Clean Water Act does not directly address groundwater contamination. Groundwater protection provisions are included in the Safe Drinking Water Act, Resource Conservation and Recovery Act, and the Superfund act.

Health implications of water pollution^[edit]

Contamination of drinking water supplies can not only occur in the source water but also in the distribution system. Sources of water contamination include naturally occurring chemicals and minerals (arsenic, radon, uranium), local land use practices (fertilizers, pesticides, concentrated feeding operations), manufacturing processes, and sewer overflows or wastewater releases. Some examples of health implications of water contamination are gastrointestinal illness, reproductive problems, and neurological disorders. Infants, young children, pregnant women, the elderly, and people whose immune systems are compromised because of AIDS, chemotherapy, or transplant medications, may be especially susceptible to illness from some contaminants.^[7]

Under the direct supervision of the Education Director, the tutor will provide skills tutoring and homework help to Native American students of the Kaibab Paiute Tribe, in all subject areas, daily in the Library. Provide students, K-12th grade with daily skills tutoring and homework help after school hours Monday through Thursday and on Fridays. Be proficient in academic areas including elementary and high school level math, science, reading, and grammar. Inform students, parents and others of upcoming events, concerns and progress. Provide academic assistance to assigned students, either in groups or individually. Be responsible for maintaining records on each student who is being tutored, including follow-up and

periodic assessment. Help students develop positive attitudes toward learning and studying. Help students develop a high level of motivation in academic areas and the study skills necessary for academic success. Serve as a role model for students being served. All other duties as assigned.

Kaibab Early Learning Center Director: Full-Time/Benefits after 90-days; Wage DOQ

The Kaibab Early Learning Center is seeking an enthusiastic, motivated Director. The Director is responsible for overseeing the day-to-day operations of the Early Learning Center to ensure the children and staff are provided a safe learning environment. Duties include the following: assure the Center is a safe, nurturing place for the children to learn; implement activities that inspire and encourage social, physical and intellectual development; give the children in the Center's care the opportunity to explore each day, help them understand and expand their individual interests, assert their independence and build self-esteem; prepare children to enter elementary school. Minimum qualifications are very specific and must be followed. Please see full position announcement for required qualifications.

KELC Teacher Assistant: Part Time/No Benefits; \$11.00 hr

The Kaibab Early Learning Center is seeking an enthusiastic and motivated Teacher Assistant to help the Center's Lead Teacher and Director in all areas as needed. The aide will be assisting with children that range in age from 2 ½ until they start Kindergarten in all aspects of the Center. This position is responsible for, but not limited to providing care and support to children of various ages (2.5 to 5+) including: Provide care and support to children of different ages as needed and assist the Lead Teacher in the classroom. Supervision of children at all times. Be respectful of child and family cultures, values and differences of all children. Inform parent of any pertinent information regarding the child or Center if Lead Teacher is unable. Help maintain the environment and keep it in a safe and healthy condition daily (e.g. checking for broken equipment, keeping their classroom clean, sterilize toys, etc.). Promote the importance of good hygiene, care and kindness toward others. Assist with other duties as needed, attend and participate in staff meetings, center events and parent meetings. Must have knowledge of emergency procedures. All other duties as assigned.

KELC Lead Teacher: Full Time/Benefits after 90 days; \$12.00 hr, DOQ*

The Kaibab Early Learning Center is seeking an enthusiastic and motivated Lead Teacher to oversee the classroom. This individual will provide a safe, nurturing, learning environment and implement activities that inspire and encourage social, physical and intellectual development. KELC children/students range from age 2 ½ (must be potty trained) until they start Kindergarten. They need direction to help them explore and expand their individual interests, assert independence, build self-esteem and prepare them to enter elementary school. Provide information to parents regarding their child(ren)'s progress. Maintain an environment that is respectful of family cultures and values. Assist the Director in keeping parents/guardians informed by posting parent information on the parent information board by the Learning Center entry, including lesson plans, daily schedules, special activities, etc. Supervise children and be actively involved in their daily activities and transitions. All other duties as assigned.

K-12 Tutor: Part-Time (Up to 20 hrs wk)/No Benefits; \$12 hr, DOQ

Under the direct supervision of the Education Director, the tutor will provide skills tutoring and homework help to Native American students of the Kaibab Paiute Tribe, in all subject areas, daily in the Library. Provide students, K-12th grade with daily skills tutoring and homework help after school hours Monday through Thursday and on Fridays. Be proficient in academic areas including elementary and high school level math, science, reading, and grammar. Inform students, parents and others of upcoming events, concerns and progress. Provide academic assistance to assigned students, either in groups or individually.

Be responsible for maintaining records on each student who is being tutored, including follow-up and periodic assessment. Help students develop positive attitudes toward learning and studying. Help students develop a high level of motivation in academic areas and the study skills necessary for academic success. Serve as a role model for students being served. All other duties as assigned.

WHAT IS YOUR VISION?

Monday, September 9th
5:00 pm
Library

Dreaming, envisioning, and planning help each of us create the life we want to live. Join us as we explore what is on your vision board and how to use that to set goals and achieve them. This workshop is open to everyone. Parents, it is never too late to create your vision and never too early to teach your child to dream and work towards goals.

TELL YOUR STORY WITH JOURNALING

Thursday, September 12th
5:00-6:00 pm
Library

- What is your favorite childhood memory?
- What food did you hate growing up, but now you love?
- What is the hardest thing you have ever had to overcome?
- What subject in school were you really good at?
- Write about one of your most embarrassing moments
- If you woke up tomorrow and discovered that everything in life was now free, what is the first thing you would do?

These simple journaling prompts provide insight for your family into who you are and can leave a legacy of insights and love. Journaling isn't social media or dear diary...it's simple questions about you. Come learn how and where to journal!

Library Closed No Tutoring

SEPTEMBER 2ND-SEPTEMBER 6TH
AND
SEPTEMBER 16TH-SEPTEMBER 19TH

The Education Department will be offering online tutoring during these times by appointment. Your student must have access to a laptop or a tablet in order to participate. For more information please come into the library and get set up prior to September 2nd.
