Bear News Inside this issue
UPDATE
2019
Kaibab Paiute Mistletoe Project

The excavator tree mulcher machine that will consume affected trees will be arriving

- A test plot will be done first with the machine by mid-August
- **Tribal Monitors will be included in this phase with monitor duties**
- This primary phase is eliminating all infested trees
- Questions call Vincent Toya, Tribal Administrator (928) 643-7245

Key Points of the Problem in Juniper Trees

- Mistletoes is a Forest Pest and affect tree growth and form.
- Mistletoe shoots this parasitic gel to surrounding healthy trees and infect.
- Control is accomplished by killing infected trees and preventing spread to young trees.
- Seeds are consumed by a variety of birds, mammals and insects with potential spreading
- As Parasitic Plants form it results to significant damage to trees
- Be cautiously on the look-out for manpower and heavy equipment during project
- Area of project is start of Pipe Springs Road to Moccasin Boundary
Our young men after making their bear growlers. Getting ready to learn a Bear dance song with the help of Hanley Frost of the Ute Tribe.

Gavin H, Joe B. Damien Y. Jayce A., Tyrone L., Shadoe H
HEY COUSIN! LET'S BEAR DANCE
SOUTHERN PAIUTE STYLE

We were pleased to have Mr. Henley Frost, sundance chief & cultural instructor of the Southern Ute Tribe, visit us here at Kaibab to facilitate some bear dance workshops in celebration of our newly constructed Bear dance corral/social dance grounds.

Thank you, LeAnn Shearer for this Cultural Preservation activity. A lot of BST (blood, sweat & tears). We enjoyed the morning.

Thank You!

LeAnn S.
**Ribbon Skirt Class**

Collaborative Department Effort
Join Us For
Woman's Craft Saturday

Saturday, August 24th
9:00 AM – 2:00 PM
Kaibab Community Bldg.

**Participants:** if you have your own special material, ribbon, matching thread, sewing machine etc. please bring them. Limited options of material, thread, ribbon etc. will be provided along with a limited number of sewing machines to make a basic ribbon skirt.

If you have extra material, ribbon, thread etc. donations are always NEEDED & WELCOME!

---

**PLEASE DONATE**

The Cultural Preservation Department is seeking donations for future heritage classes.

Fringe, Silk Ribbon, Material, Thread, Beads, Beading Thread, Needles, Unfinished shawls, Jewelry making stuff, sinew, leather, etc.

Really anything that can be used with our traditional and contemporary heritage classes.

Donations can be dropped off at the Cultural Preservation Office or call and I will be happy to come pick your donations up.

Thank You!

Call LeAnn at Cultural Preservation Department 643-7365
Fishing — Everyone needs a permit to fish, a Tribal Members can come and get a one year permit at NO COST, for Non-Members it is $10 dollars for the first day and if they bring back the original permit it will be $5 dollars for a day for the next five day as long as you bring back the original permit. The limit is four per day. We do sell a year round permit for Non Tribal Members for $80 dollars.

Tribal Hunters — If you made a kill in the 2018 hunts and haven’t turned in your White tag to the Wildlife Department. You have been tagged to not get a permit next hunting season. You should come and ask if it is you!!

Depredation Hunts — If you know of someone who is a member of a Federal Recognized tribe and they want to hunt for Deer meat have them call me, we have two depredations hunts in November.

Southern Paiute Youth Hunt — is October 18, 19, 20, 2019

Minors Hunters Safety Card — On the internet go to hunter-ed.com — Everyone one 10 to 18 needs to attend a hunter’s safety course or they need to attend one of the ones we do every October during the Youth Hunt, the child will need one to get a hunting permit. This is not something new it has been in the Ordinance since the beginning. It is better to get a Hunters Safety card in the state you live in so you can participate in there State hunts.

Fire Wood — You don’t need a permit to get fire wood, unless you are selling it off the Reservation. But, to get wood for personal use or for a Tribal Member, it is ok, you can get wood anywhere on the reservation.

Back Dirt Roads — If for some reason you take the back roads, beware of the sand and mud, remember to tell someone where you are going and about when you will return, take a lot of water, some snacks, matches, and bring a shovel, tow chain, and a jack (Handyman), Cell phone may or may not work, and pickup all litter, KEEP MAIN GATES CLOSED!!!, if the road gets sandy or muddy turn back you don’t want to get stuck. If you know of someone that has gone out and not returned call this Department at any time, (office or Home) contact any Wildlife Committee member, or BIA-Police. This will only be to get you home, but if asked to be pulled you out, you may be charged a fee.

Snake are out! So watch out for them.

***LIVING WITH MOUNTAIN LIONS — PLEASE READ LAST EDITION OF SMOKE SIGNALS***

Any questions or concerns contact Danny Bullets, Jr. at 643-8305.or Email me at dbullettsjr@kaibabpaiute-nsn.gov.
Thank You.

Canning Workshop
Making Jam
August 5, 2019
Community Building
Starting at 3 pm

Hope to see you there, also now is a good time to go and pick some apricots out to the farm.
Healthy Homes Maintenance Checklist

The following checklist was developed for the Healthy Homes Training Center and Network as a tool for healthy home maintenance. A healthy home is one that is constructed, maintained, and rehabilitated in a manner that is conducive to good occupant health.

To maintain a healthy home, occupants should keep it dry, clean, well-ventilated, free from contaminants, pest-free, safe and well-maintained. Good home maintenance can act to reduce allergens, prevent illness, and reduce injury from accidents. This checklist provides basic guidelines; items may need to be checked more often depending on local conditions and manufacturer suggestions.

Developed for the National Healthy Homes Training Center by Terry Brennan and Ellen Tohn, technical advisors to the National Center for Healthy Housing.

Eight Tips for Keeping a Healthy Home

1. Keep it Dry: Prevent water from entering your home through leaks in roofing systems, rain water from entering the home due to poor drainage, and check your interior plumbing for any leaking.

2. Keep it Clean: Control the source of dust and contaminants, creating smooth and cleanable surfaces, reducing clutter, and using effective wet-cleaning methods.

4. Keep it Well-Ventilated: Ventilate bathrooms and kitchens and use whole house ventilation for supplying fresh air to reduce the concentration of contaminants in the home.

5. Keep it Pest-free: All pests look for food, water and shelter. Seal cracks and openings throughout the home; store food in pest-resistant containers. If needed, use sticky-traps and baits in closed containers, along with least toxic pesticides such as boric acid powder.

6. Keep it Contaminant-free: Reduce lead-related hazards in pre-1978 homes by fixing deteriorated paint, and keeping floors and window areas clean using a wet-cleaning approach. Test your home for radon, a naturally occurring dangerous gas that enters homes through soil, crawlspaces, and foundation cracks. Install a radon removal system if levels above the EPA action-level are detected.

7. Keep it Well-Maintained: Inspect, clean and repair your home routinely. Take care of minor repairs and problems before they become large repairs and problems.

8. Thermally Controlled: Houses that do not maintain adequate temperatures may place the safety of residents at increased risk from exposure to extreme cold or heat.
80% of senior falls happen in the bathroom due to slippery floors and surfaces as well as high structures, according to the National Institute of Aging.

In 2008, approximately 21.8 million persons aged ≥15 years sustained nonfatal, unintentional injuries, resulting in approximately $67.3 billion in lifetime medical costs.

According to the CDC, every year about 235,000 people over 15 years old visit ERs due to injuries suffered in the bathroom – of those 14% are hospitalized.

Follow these tips to fall-proof your bathroom:

- Place a non-slip mat both inside and outside of the tub.
- Install grab bars by the toilet.
- Use nightlights in and around the bathroom.
- Install a bath step or walk in tub to make it easier to get in and out of the shower or bathtub.
Our own Mahlaney Lee, a senior at El Capitan High School was chosen to represent our State Youth Coalition in Washington, D.C. during the week of July 7th-11th. There the pictured youth spoke with U.S. Representatives about how Vaping and how Juuling is targeting the youth by selling brighter colors and many different flavors.

Mahlaney says this is a good educational program and has learned about the harmful effects of tobacco products. She will continue to support the Anti-Tobacco Campaign.

Arizona Senator McSally pictured with Mahlaney prior to their appointments to speak with the Representatives.

Tribal
Back to School Night

Come celebrate the beginning of the 2019/2020 school year! Tribal students will be able to pick up their school supplies, parents and students can visit with school representatives, and learn about the resources offered to help students have the best school year.

Monday, August 5th
5:00-6:30
Community Building
Light refreshments will be served

School Begins!

Important Dates

Call your local school to determine when registration begins

August 2nd—El Capitan Back to School Night
August 5th—Tribal Back to School Night
August 12th—Colorado City Schools First Day
August 13th—Fredonia and Kanab First Day
August 19, 2019 Summer Youth Field Trip to Voyager Wealth Advisors Inc., Dixie Tech, Ram Industry, and Dixie State University

We started our day by taking in the view of St. George from Dixie Technical College.

Having some fun with the training大纲。

Explaining how an MRI works, a common duty of a Radiologist.

Taking a trip inside the Radiology Lab, the courses offered are very hands-on.

Exploring the operating room used to train students in the Surgical Technician program.

Thank You!
August Library EVENTS

TELL YOUR STORY WITH JOURNALING

Friday, August 23rd
1:00-2:00 pm
Library

- What is your favorite childhood memory?
- What food did you hate growing up, but now you love?
- What is the hardest thing you have ever had to overcome?
- What subject in school were you really good at?
- Write about one of your most embarrassing moments
- If you woke up tomorrow and discovered that everything in life was now free, what is the first thing you would do?

These simple journaling prompts provide insight for your family into who you are and can leave a legacy of insights and love. Journaling isn't social media or a diary...it's simple questions about you. Come learn how and where to journal!

WHAT IS YOUR VISION?

Monday, August 19th
5:00 pm
Library

Dreaming, envisioning, and planning help each of us create the life we want to live. Join us as we explore what is on your vision board and how to use that to set goals and achieve them. This workshop is open to everyone. Parents, it is never too late to create your vision and never too early to teach your child to dream and work towards goals.

KAIBAB PAIUTE TRIBAL LIBRARY PRESENTS

HUNGRY FOR BOOKS

COME EAT AND ENJOY THE LIBRARY. WE WILL DISCUSS BOOKS YOU HAVE READ, BOOKS YOU WOULD LIKE TO READ, AND HAVE AUDIO SAMPLINGS OF POPULAR BOOKS AND BEST SELLERS. THIS EVENT IS FOR TWEENS, TEENS AND ADULTS.

FRIDAY, AUGUST 23RD
12:00-1:00 PM
TRIBAL LIBRARY

Teens with H.E.A.R.T.

This month teens will be given a planner to help keep them on track during the school year. We will discuss creative ways to manage time.

Monday, August 26th
5:00 pm
Tweens and Teens 12-18
Tribal Library
Note from the Tribal Trust and Enrollment

Please keep your current address updated with the Tribal Trust Department. Having your current address updated with the Trust Department affects your Per Capita payment and/or your Trust payments. If your address doesn’t match between Providence and the Trust Department, your payments will be put on hold until the address matches what the Trust Department has on file.

You can submit an address update and/or the amount withheld for taxes by completing the Per Capita Form from the Tribe’s website. Or, you may call or email the Trust Department and have a form emailed to you or sent via the mail. The email address for the Trust Department is: vcastro@kaibabpaiute-nsn.gov.
